Recovery Path: GETTING YOU HOME

ASSESSMENT

The first step is a comprehensive evaluation of your medical needs to determine the appropriate plan of care, and ultimately discharge goals and expectation.

GETTING STARTED

Here, you will meet the team and begin a therapy regimen tailored to your specific needs. This includes managing pain and other symptoms, as our ultimate goal is to help you regain your strength, mobility and independence.

YOUR STAY

During your time with us we continuously monitor your progress and assess your treatment plan. Together, we can make any necessary adjustments to provide continuous access to top-notch medical care.

DISCHARGE

With your input, our interdisciplinary team will curate a discharge plan to ensure a smooth transition back home. This includes home health set up, ordering of durable medical equipment, and additional resources for post rehab care.
